

Parental Authorization for Course

RE: The Basics of Anatomy and Physiology course will involve learning about the reproductive system of the human body. This is a medical and clinical-based educational process to develop an understanding of what makes up the parts of the human body and how they work together.

I, _____, am the legal parent/guardian of _____ [Child’s Full Name]. I authorize and consent my child to enroll in and attend The Basics of Anatomy and Physiology offered by *Homeschool Academics*.

I understand this course will involve learning about the reproductive system of the human body. This will include reading material, instructional diagrams, graphics, and/or pictures of anatomical models. I acknowledge and accept the expectations and requirements associated with this course.
